Battery and Power

Battery life up to 5 days. Battery type: Lithium-polymer

- Charge time: One to two hours
- Radio transceiver: Bluetooth 4.0

- Memory
 - Saves 7 days of detailed motion data – minute by minute
 - Saves daily totals for past 30 days
 - Stores heart rate data at 1 second intervals during exercise tracking and at 5 second intervals all other times

Water Resistance

Fitbit Charge 2 is sweat, rain and splash proof. However, the device is not swim proof or shower proof.

- Materials

Fitbit Charge 2's wristband is made of a flexible, durable elastomer material similar to that used in many sports watches. Fitbit Charge 2 also has a surgical-grade stainless steel buckle.

Syncing & Notifications

Using Bluetooth LE wireless technology, Fitbit Charge 2 sends smartphone notifications and syncs automatically to computers and 200+ leading iOS, Android and Windows devices. Certain features like smartphone notifications or Connected GPS may require Android 5.0+.

- Syncing range: Up to 20 feet
- Syncing requires Bluetooth LE and Internet connection.
- Syncs with Mac OS X 10.6 and up, iPhone 4S and later, iPad 3 gen. and later, Android 4.3 and later, and Windows 10 devices.
